

FOR A HYMN SERVICE OR FESTIVAL

SONG IN THE HEART

The Song in our Heart

1. For the song in our heart that enriches our voice
With love and with hope, and the urge to rejoice;
For faith to keep praising whatever befall,
We pour out our thanks to you, Father of all!
2. For the tune in our head that will not go away,
But adds to our thoughts more than words can convey;
For music's delight, where enchantment is stored,
We pour out our thanks to you, Jesus our Lord!
3. For the words on our mind, full of worship and praise,
Compelling our tongue with each stirring new phrase,
Eternity's insights inspired from above,
We pour out our thanks to you, Spirit of love.
4. For the spark in the soul, setting senses alight,
Implanting your wisdom in those, as they write,
Who follow the path that the psalmist once trod,
We pour out our thanks to you, great threefold God!
